THE BOOK

Luke and his sister Jenny are mysteriously swept back in time. What begins as a normal family vacation to historic Tombstone, Arizona, suddenly changes when they find themselves face-to-face with Wyatt Earp and others at the famous gunfight at the O.K. Corral. A true story presented in a fascinating tale.

ENDORSEMENTS

“*Gunfight at the OK Corral* addresses ethics, morals, principles, and concepts of what makes a human being good, in a most entertaining way. The book also deals with the noble qualities of forgiveness and kindness. These are the things that enrich one’s soul and hence one’s life. The story made me think about who I am and who I want to be.”

—Alex Cord, award-winning movie and TV star, and author of *A Feather in the Rain*

“The way Gayle wove history, life lessons, family values, a sense of fairness, making peace, proper gun handling, laws of the land, and respecting authority amazed me. I see Luke and Jenny as a potential Nick or Disney television series. America’s kids could use some fresh new stories, and I believe Gayle has a hit on her hands.”

—Joyce Spizer, author of *Only Make Believe*

Honorable Mention – 2007 Hollywood Book Festival
